

## In-Country Value Development Programme Programme Management Office (PMO)

**Supplemental Report:** Fabrication of high security fence and gates as well as fence and gates services

### August 2015:

The ICV PMO is pleased to submit this report as a supplement to the ICV business opportunity in reference to “**Fabrication of high security fence and gates as well as fence and gates services**” (Ref # 062).

Please note that this report is specifically intended for the sole purpose of providing information in order to support and facilitate investment decisions. Accordingly, the PMO (administered under the Ministry of Oil & Gas) will not accept any liability whatsoever resulting from the use or reliance of the information contained in this report.

In addition, it is to be noted that this report does not relate in any way to any future tenders not formally confirmed or announced by the PMO through the ICV website or other media channels. Moreover, the information contained herein is subject to change without notice based on market conditions.
